

URGENT NOTICE: DISCONTINUATION OF PRODUCT LINES

Global Link Master Key Notification | Effective October 15, 2026

Dear Valued Partners and Colleagues,

**Creative Products Group** has been notified that, effective immediately, we will no longer offer the items listed below for general distribution sales.

This is a precautionary measure driven by an increase in thefts and property damage involving unauthorized master keys. To protect our end-use consumers, we are restricting distribution to maintain stricter control over key availability. Moving forward, we will only offer limited quantities, and maintain a running log of all sales, of these items directly to authorized Manufacturers and Dealers.

While we understand this transition may cause short-term disruptions, we believe it is our responsibility as a security provider to prioritize the safety and assets of our customers.

Next Steps for Your Teams:

- **Open Orders:** We will honor all current open orders for these items.
- **Future Requests:** Once your final shipments arrive, please instruct your teams to contact us directly for any future requests, as these items will no longer be available through standard distribution channels.
- **System Updates:** Please update your inventory and ordering systems immediately to prevent future supply chain disruptions.
